FROM THE DESK OF MATT JOHN

Dear Sarah,

This time of year I go through the list of folks who keep choosing Steven Kia — and your name is on it. That means a lot to me and to our whole team.

So this year I wanted to do more than just say thanks. I've reserved two gifts in your name (right this way →). Come see me before [Expiration Date] and I'll take care of you personally.

Happy holidays to you and yours!

Gratefully,
Matt John
